TELEMEDICINE

- ✓ 6-Lead Digital ECG
- ✓ Soft Animal-Friendly Clips

Excellence in Consultation Services Since 1997

We are excited to announce that we are now offering a Digital ECG option for your clinic to purchase. No more tying up your techs' time on the phone. They can now easily transmit and send the ECG all in one easy to use application.

We now combine the great service that we have always given with the latest technology. It can be used for live viewing during surgeries as well as in exam rooms for screenings.
